

25X1C

Thursday - 20 September 1951

In accordance with the Director's instructions, Mr. Pforzheimer briefed Senator McMahon, Chairman of the Joint Congressional Atomic Energy Committee, [redacted] operation. Senator McMahon was very much pleased by the operation and wished to extend his congratulations to the Director for its accomplishment. In further accordance with the Director's instructions, WLP informed Senator McMahon that we proposed to have a review made of the scientific intelligence activities of the Government and that it would be conducted by President Conant of Harvard. Senator McMahon proposes to make certain comments on this to be handed to WLP for the "Eyes Only" consideration of the Director.
